

1. Scientific and/or Technical Merit of the Project
2. Appropriateness of the Proposed Method or Approach
3. Competency of Applicant's Personnel and Adequacy of Proposed Resources
4. Reasonableness and Appropriateness of the Proposed Budget.

The evaluation will include program policy factors such as the relevance of the proposed research to the terms of the announcement and an agency's programmatic needs. Note, external peer reviewers are selected with regard to both their scientific expertise and the absence of conflict-of-interest issues. Non-federal reviewers may be used, and submission of an application constitutes agreement that this is acceptable to the investigator(s) and the submitting institution.

Applications for renewal of ongoing efforts must include an "Accomplishments under Previous Support" section, which should not exceed ten (10) additional double-spaced pages. The technical portion of the application should not exceed twenty-five (25) doubled-spaced pages. An abstract of less than 200 words must be included with the application. Lengthy appendices are discouraged.

Information about the development, submission of applications, eligibility, limitations, evaluation, the selection process, and other policies and procedures may be found in 10 CFR Part 605, and in the Application Guide for the Office of Science Financial Assistance Program. Electronic access to the Guide and required forms is made available via the World Wide Web at: <http://www.er.doe.gov/production/grants/grants.html>. On the SC grant face page, form DOE F 4650.2, in block 15, also provide the PI's phone number, fax number and E-mail address.

Technical information on the ARM Program is available from the ARM Program Office at Pacific Northwest Laboratory, P.O. Box 999, Richland, WA 99352 (telephone (509) 375-6964).

The Catalog of Federal Domestic Assistance Number for this program is 81.049, and the solicitation control number is ERFAP 10 CFR Part 605.

Issued in Washington, D.C., on March 16, 1999.

Federal Energy Regulatory Commission

[Docket No. ER99-1023-000]

Boston Edison Company; Notice of Filing

March 17, 1999.

Take Notice that on March 11, 1999, Boston Edison Company (Edison) of Boston, Massachusetts, joined and supported by Montaup Electric Company (Montaup), tendered for filing the Fourth Amendment to its FERC Electric Rate Schedule No. 69. The Fourth Amendment was executed by Edison and Montaup for the purpose of extending the time for Montaup to make its Closing Payments to Edison in connection with the sale of Edison's Pilgrim nuclear power plant to Entergy Nuclear Generation Company. Edison and Montaup request a March 31, 1999, effective date of the amendment.

Edison states that copies of the filing have been served on the Massachusetts and Rhode Island attorney generals and on the service list compiled in Docket Nos. EC99-18-000, *et al.*

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before March 26, 1999. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/>
